Instructions:

1. Fold the note card along the pre-scored line
2. Emboss the Pool Party card front piece with the Sparkle Textured Impressions Embossing Folder using the Big Shot
3. Punch the Pink Pirouette border piece using the Decorative Ribbon Border Punch
4. Glue the border piece to the back edge of the embossed pool party piece and adhere the layer to the note card front.
5. Die cut the bow from the Celebration Thinlits Dies using scraps of Silver Foil Sheets. Put the bow together using glue dots and adhere it to the card front using a glue dot.
6. Punch small circles of Pool Party Card stock & Pink Pirouette Card Stock using the 1/8" or 0.31cm Circle Punch to use in the shaker part of the shaker tag. Set aside.
7. Begin die cutting the pieces for the shaker tag. Die cut a solid Whisper White piece for the back. Cut a full front gift package piece in both Pink Pirouette and Blushing Bride. Trim the Blushing Bride piece to fit behind the Pink Pirouette piece and glue them together. Cut the short solid package piece in Bermuda Bay Card Stock.
8. Wipe the die cut Bermuda Bay piece with the Stampin' Buddy. Stamp the greeting on it in Versamark and emboss it with White Stampin' Emboss Powder and the Heat Tool. Glue this piece to the front of the Pink Pirouette Piece.
9. Adhere Foam Adhesive Strips around the front edge of the whisper white tag piece. Put an additional small piece of the foam Adhesive strip across the middle of the tag just below the bow area. The top section will be the area to put the shaker pieces. Put in the previously punched Pool Party & Pink Pirouette circles along with some silver and gold sequins from the metallic Sequin Assortment.
10. Cut Window Sheet piece using the full tag Thinlit die. Glue it to the back of the Pink Pirouette tag front piece. Adhere the tag front to the foam strips around the edge of the tag back.
11. Tie a length of Silver Mini Sequin Trim through the hole in the top of the tag.
12. Glue the shaker tag to the front of the card.
