Instructions:

1. Stamp small flower outline randomly on:
 - a. Crumb Cake card stock with Crumb Cake ink
 - b. Pool Party card stock with Pool Party ink – the banner cut both ends
2. Use the Hooray stamp for the following:
 - a. Stamp 1 on Lemon Lime Twist card stock with Lemon Lime Twist ink
 - b. Stamp 1 on Pool Party card stock with Pool Party ink
 - c. Stamp 1 on Peekaboo Peach card stock with Peekaboo Peach ink
3. Use the Dotted Balloon stamp to stamp the following:
 - a. Stamp 2 on Lemon Lime Twist card stock with Lemon Lime Twist ink
 - b. Stamp 1 on Pool Party card stock with Pool Party ink
 - c. Stamp 1 on Peekaboo Peach card stock with Peekaboo Peach ink
4. Punch all the Balloon out using the Balloon Bouquet Punch – just the small one is used so be mindful of this when stamping on your scraps. Place a Stampin' Dimensionals on the back of each balloon.
5. Adhere the Foil Frenzy piece and Pool Party piece to front of card using photo as a guide.
6. Adhere balloons – I went up and down with mine. You decide how you want them
7. On Whisper White insert and envelope stamp 3 balloons with Peekaboo Peach going down the side – I did 2 dotted and 1 hooray
8. On scrap of Whisper White stamp the sentiment 'happy birthday' in Peekaboo Peach. Stamp the banner surround in lemon Lime Twist lining it up so the sentiment is centred. Punch out with the Classic Label Punch. Place Mini Stampin' Dimensionals on the back of this at either end and adhere to front right of the card – use the photo as a guide.
